Equipping for the Most Fruitful Mission Field

Children are the most fruitful mission field in all the world. George Barna indicates that over 80% of those who profess Christ today came to Christ prior to their 15th birthday. In addition, children under the age of 15 make up one third of the population of the planet. Reaching the next generation for Christ is critical and fruitful. Evangelizing the lost was Jesus' last command and should be our first concern.

Every year over 350,000 people take *CEF*[®] training somewhere in the world. *Children's Ministries Institute* is the core course that *CEF* utilizes to help prepare men and women to

impact the next generation with the life-changing message of the Gospel. You will learn how to develop a Bible lesson that clearly communicates God's truth and keeps the attention of children. In addition, you will learn how to explain memory verses and make them memorable for the children. You will also learn leadership skills that will sharpen your effectiveness and help you reach your potential.

Contact us today to learn how you can receive significant savings on the best training available for children's ministry. You can be used of God to make a difference in your generation.

Testimony

"Attending *CMI* greatly impacted me and my walk with the Lord. It was so uplifting to be surrounded by brothers and sisters in Christ who all had one goal—bring the Gospel of Jesus to children around the world. The classes were intense, the instructors were inspiring, and the classmates were invigorating. I thank the Lord for sending me to be in *CMI* class 161. It's an experience I will treasure for years to come."
